

## Translations in 15 languages

With our partner Memo Travel ([www.memo-travel.eu](http://www.memo-travel.eu)), we propose you a unique service that will translate all you tags and all the modifications you bring to them in up to 15 languages. These translations are done in an automatic way and revised by professional human translators.

### Prices for some languages:

| Translation rates  | English     | Spanish     | German      | Italian     |
|--------------------|-------------|-------------|-------------|-------------|
| Cost per word (HT) | 0.072 €/mot | 0.073 €/mot | 0.074 €/mot | 0.073 €/mot |

### Main assets:

- Easy to use. Simply create or change data in your language and forget about it: the system will then update automatically for the other languages.
- Attractive prices thanks to the automatic process.
- High quality work since every translation is checked by a professional translator.
